# THE TRANQUILITY FOUNTAIN FOR PONDS

Unlike traditional hard-wired fountains, the Toba Magic Fountain® gives pond owners unprecedented control. Both the sound and the shape of each spray pattern changes as you adjust the spray height, giving you over 150 different combinations using the full range of available fountain heads and lens colors. Some pond owners have small water gardens, while others have large aquascapes. Set the spray height to accommodate the size of your pond for the effect you prefer, from a high energy experience to a gentle whisper.

- No Installation Required
- Automatically Cycle Through Different Spray and Lighting Effects or select a favorite combination
- Operates with Long Range RF Remote Control
- 3 Fountain Spray Outlets
- 4 Selectable Light Colors
- Remote Controlled Automatic Shut Off Timer
- Adjustable Spray Heights reaching as tall as 10 feet high
